

# Afghans

## Materials

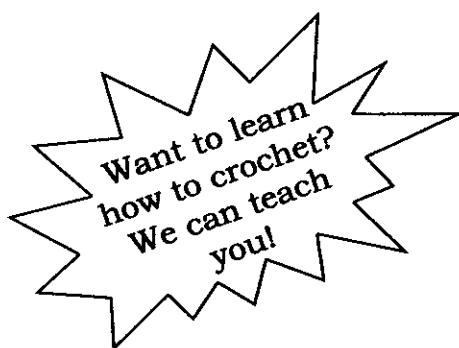

- Yarn—machine washable
- Crochet Hook or Knitting Needles
- Approximately 30 hours of time

## Guidelines

- ⇒ Use your favorite pattern to knit or crochet the afghan
- ⇒ Suggested size 48" x 60" size afghan.
- ⇒ Minimum size is 48" x 48"

We have many men volunteers who crochet in this new millennium! Business suits and ties are optional.

Meet monthly for a "Crochet & Chat Club" with your friends! Let's bring back the days of people working together for the good of their community!

Teach a young person you know! What a great way to spend time with a child you love and teach about community service!

Pick up your hook or needles as a perfect accompaniment to your favorite TV show.

## Who gets the afghans?

Each and every client that registers with Cancer Action receives a handmade afghan.

When presenting this special and much appreciated gift to a client, the staff explains about our many volunteers crocheting these unique gifts. We can't take away pain of cancer; we certainly can't cure their cancer, but we can stand in solidarity with them demonstrating our compassion and our mutual hope for their future.
