

Turban

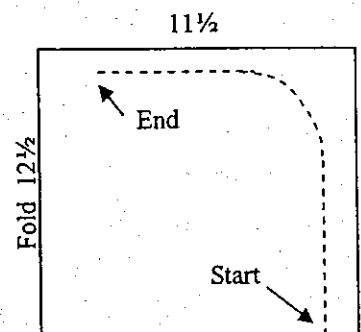

Materials

- Knit fabric
- Matching Thread
- Sewing Machine
- Scissors or Rotary Cutters

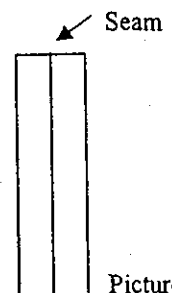

Directions

- 1) Cut fabric on fold $12\frac{1}{2}$ inches x $11\frac{1}{2}$ inches.
- 2) Cut a small piece of fabric $2\frac{1}{2}$ inches x 4 inches.
- 3) On large piece begin sewing 1 inch from fold; back stitch and continue sewing away from fold. Make sure to sew the first corner on a curve. Continue around the piece back to the fold; back stitch. See Picture 1.
- 4) Fold and sew 1 inch hem along the unfinished edge (bottom) of large piece.
- 5) On the small piece, fold and sew $\frac{1}{4}$ inch seam on long side. Turn inside out and place seam in the middle of the back of the tube. See Picture 2.
- 6) Pull the small tube through the front of the turban and stitch the ends of the tube. Tack it to the inside seam.
- 7) Hand gather the back of the turban along the inside seam, using double thread. Gather from hem to back corner $2\frac{1}{2}$ inches.
